Experience

Lead Video Editor

North Shoal Pictures | 2020-10 – Present

- Shaped interview-led edits from transcript selections and archival footage. Logged disputed claims for producer review during rough cut.
- Checked archival and interview clearances against the release register. Flagged unresolved shots before sending the locked cut to sound and colour.
- Compared delivery masters with platform specifications. Checked audio peaks, caption timing and picture after final conform.

Assistant Editor

Glass Alder Post | 2016-09 – 2020-09

- Synced camera and production audio, prepared proxies and maintained project bins for two edit suites.
- Conformed locked timelines and prepared reference exports for sound mixers and colourists.
