Experience

Aircraft Cargo Handling Supervisor

Bay Meridian Air Logistics | 2021-06 – Present

- Assigned a 12-person crew across build-up and ramp tasks for up to eight departures per shift, confirming coverage before accepting each handover.
- Reconciled unit load device records with warehouse scans. Late corrections fell from 16 to seven across comparable four-week periods.
- Held a pallet with conflicting markings and escalated it to load control before transfer. Logged delivery time and clearance owner.

Cargo Ramp Team Lead

Sand Harbour Ground Services | 2017-09 – 2021-05

- Allocated tug and dolly movements around stand access windows and reported equipment defects to the shift coordinator.
- Checked segregation of items awaiting instruction and kept an updated exception list at shift handover.

Languages

Arabic · English

Summary

Air cargo supervisor coordinating warehouse and ramp handovers on time-sensitive flights. Allocates trained crews, checks that unit records are current and escalates mismatches to load control.

Skills

Airside handovers · Cargo unit reconciliation · Ramp team allocation · Exception escalation

Education

Diploma in Aviation Operations

Pearl Coast Aviation Institute | 2017
