Experience

Community Health Worker

Ocotillo Span Health Network | 2022-03 – Present

- Confirmed attendance at 53 of 68 appointments in a 12-week referral cohort. Recorded visits without a confirmed status separately.
- Started a bilingual callback list with the clinic scheduler. Reached people in their preferred language and flagged interpreter requests when booking.
- Checked signed consent before requesting a visit update from a partner. Escalated clinical questions to the duty nurse.
- Coordinated six outreach sessions at two housing sites. Reported attendance by session and merged repeat referrals only after confirming identity.

Community Outreach Assistant

Saguaro Bridge Family Resource Centre | 2019-05 – 2022-02

- Maintained a directory of reduced-cost services with eligibility, bus routes and current hours.
- Booked reminder calls and documented when a participant declined further contact.
